

ROYAL COLLEGE OF VETERINARY SURGEONS

V

MR KFIR SEGEV MRCVS

DIRECTION

1. Mr Segev, MRCVS, ("the Respondent") has appeared before the Disciplinary Committee on two occasions, for four days on 10 – 13 November 2008 and again for three days on 23 – 26 March 2009.
2. Given the amount of evidence that has been put before the Committee in this case, and the duty of the Committee to consider all of this evidence with the greatest of care, the Committee has decided to reserve judgment on the facts at this stage to allow it time to produce a full and reasoned decision.
3. The hearing will resume at the earliest mutually convenient date, by which time the Committee will have had the opportunity to come to its decision on the facts and produce written reasons for this decision.

Mrs Alison I Bruce,
Chairman of the Disciplinary Committee
