

## Modular combinations for the designated certificate in Veterinary General Practice (VetGP)

The following Veterinary General Practice modules are available, either as free-standing modules or as part of the Certificate in Advanced Veterinary Practice and the designated certificate in Veterinary General Practice. Although there is only one designated certificate in Veterinary General Practice, it may be taken from a small animal or large animal perspective, or a mixture of the two.

Reference	Title of module	Value
C-VGP.1	Clinical Audit	10 credits
C-VGP.2	Consultation Skills	10 credits
C-VGP.3	Professional Responsibility and Practice	10 credits

For the designated certificate in Veterinary General Practice, candidates must gain 60 credits from the following selection of modules:

Reference	Title of module	Value
A-FAVP.1	Foundations of Advanced Veterinary Practice	10 credits
Either the B-Small Animal Practice, B-Production Animal Practice, or B-Equine Practice module, depending on which preference is chosen for the designated certificate		10 credits
