

ROYAL COLLEGE OF VETERINARY SURGEONS

INQUIRY RE:

MRS D, RVN

ANNEX 2

Schedule 1

1. "@cbbc really disappointed that you don't highlight the work that registered vet nurses do too! A vet practice couldn't run without us!"
2. "As a vet nurse she needs more education on foxes! This is scaremongering"
3. "Funny listening to a teacher, who had brought her poorly cat in, moaning about schools opening next week, to me.. a vet.. who has worked in practice alongside our fantastic nurses and office staff throughout lockdown"
4. "In my experience as a vet I would take your pup along to your local vets free nurse clinics and they will give you all the correct advice you need"
5. "Tell u what I worked as a vet nurse whilst I trained to be a vet plus worked at local Beefeater to save what we've got-it's called bloody hard work!"
6. "I was paid 6k a year working 42 hours a week as a trainee vet nurse in 1996 whilst waiting for opportunity to get into vet school"
7. "Please give my RVN colleagues the professionals respect they deserve by stating salary range"
8. "No one claps for us, we don't get discounts or great pensions... we are there 24/7 for your fur babies... perhaps we should strike?... I don't know a single vet nurse or vet that would put animal lives in danger to do this though"
9. "Yeah we're driving round in Ferraris and doing snow angels in our cash. There's no NHS for pet which is why twits like you don't understand costs to run a vet practice"
10. "My clients are lovely thanks, so are their pets. You're an obvious pathetic trolling Karen and I feel sorry for your dog (and your vet if you have one, I'm sure you're very popular there)"

11. "I'm a vet dear I deal with the aftermath of horse cruelty weekly- considering you're a minority, traveller horse cruelty is a huge problem!"

12. "As a vet, and I think I speak for the entire profession, the Tories can feck off"

Schedule 2

1. "I'm a vet dear I deal with the aftermath of horse cruelty weekly- considering you're a minority, traveller horse cruelty is a huge problem!"
