

Application for Temporary Registration Form

Post-graduate education

This form is for veterinary surgeons not eligible for full registration under the Veterinary Surgeons Act 1966 who seek **Temporary Registration to undertake post-graduate study** in the UK.

Please note: Temporary Registrants may not use the post-nominal MRCVS – they cannot sign prescriptions or certificates, or other documents that require the signature of an MRCVS.

Applicants are asked to their application and supporting documents at least 8 weeks before the date you intend to start the course, or as early as possible, as these applications are considered by the Registration Committee of the College.

We will acknowledge your application within 3 working days.

Please be advised that we can only process your application once we have received the following information:-

- Completed Temporary (Restricted) Registration Form
- Checklist with complete list of documentation (Please refer to the checklist)
- Payment in full

We will acknowledge your application within three working days of receiving your completed application form and you will be notified of the outcome within five working days of the Committee making its decision. If your application is approved, you will be sent your certificate ten working days before your registration commences.

Please complete all sections of the form.
