FACTS AND FIGURES FROM THE ROYAL COLLEGE OF VETERINARY SURGEONS

2023

Welcome to *RCVS Facts 2023*.

This document provides an overview of all data related to the professions. It first presents a profile of the professions including the distribution of veterinary surgeons and veterinary nurses across the UK, then highlights key educational data such as the number of UK veterinary students, before summarising the number of concerns and disciplinary hearings we have dealt with and finally providing data related to councils, committees, and staff.

For a review of our financial activities, you can download our Annual Report 2023 from www.rcvs.org.uk/publications.

Year in review is: 1 April 2022 to 31 March 2023, unless otherwise stated.
