16. PIC/DC Liaison Committee considered detailed information on the time taken by cases at Stage one at its meeting in October and discussed a new KPI timeframe in light of the data provided and the steps involved in the process. The Liaison Committee concluded that six months was an appropriate timeframe. It also concluded that it would still be helpful to provide median times taken, as this is a good indicator of the most likely duration of matters for those involved in the process.
17. In line with the above KPI, cases that commenced in September and October 2023 have been assessed retrospectively to determine what percentage of them met the six-month KPI. These can be seen below, and we continue to report on this percentage in the future.
- 18.

Month case started	Cases that met KPI
October 2023	94%
November 2023	87%

December 2023	84%
January 2024	86%
February 2024	93%

April 2025	85%
May 2025	89%

19. The Stage 2 KPI is currently for the PIC to reach a decision on simple cases before it within seven months. A case is deemed to be complex where the PIC requests that witness statements and/or expert evidence be obtained. At its meeting in May 2024, PIC/DC Liaison Committee, having undertaken a full review of the Stage 2 KPI, concluded that it was not appropriate to have a KPI for complex cases, in view of the specific complexities of each case. Cases are reported in detail to that Committee, which is able to discuss and monitor performance accordingly.
20. In the period 8 November 2025 to 12 January 2026, the S2PIC reached a decision (to close, refer to the Charter Case Committee, or refer to DC) within the relevant KPI in two out of three simple cases.
21. Eight complex cases were decided. In accordance with the above, these cases (and the work of the department in general) are reported and discussed in detail at the PIC/DC Liaison Committee meeting.

Illegal practice

22. The Chief Investigator is currently on leave, so an update on the illegal practice matters will be provided to Council on the next occasion, with apologies for the inconvenience.
