

# New Support for PSS Suicide Prevention Standard

**From 1 April 2026, the Core Standards of the RCVS Practice Standards Scheme (PSS) have required all accredited practices to implement a practice-specific suicide prevention plan that assesses potential risks within the practice setting and establishes measures to address and mitigate each identified risk.**

Find out more and explore our three comprehensive resources, which are aligned with the new British Standard 'BS 30480 Suicide and the Workplace'.

- **Suicide Prevention Toolkit**
- **Suicide Prevention Workplace Guide**
- **PSS Practice Checklist**

If you have any questions regarding the standard, please email the PSS team at [\*\*pss@rcvs.org.uk\*\*](mailto:pss@rcvs.org.uk)

**Scan the QR code to find out more and access all the resources that are currently available.**
